

Choosing the Right Residential Treatment Program for Your Child or Adolescent

If you're looking for a residential treatment program, you may feel overwhelmed, confused and consumed by questions. We understand, and we're ready to help.

Here are questions to ask about treatment centers you're considering. We've answered them for The Barry Robinson Center and provided space for you to compare with alternatives you're considering.

We urge you to visit all centers on your list, and we welcome you at The Barry Robinson Center. Please let us know what other questions we can help you answer as you decide on a placement.
